To say that Hampton Yachts has come a long way in the past 45 years would be a huge understatement. From its early days in Taiwan, to today at their expansive boatyard in Shanghai, Hampton continues to strive for innovation in all their endeavors. An excellent example is the Hampton 580 pictured above. One of the finest craft in her class, the 580 features an extensive list of standard equipment, yet still allows you to lavish it with your personal touches to make her uniquely yours.
